Re: 2015 Annual Congress - New Board members

Dear EPLAW Member,

The annual congress of our association this year will be held on 4 December in Brussels. Like last year there will be a cocktail reception on the preceding evening. The agenda for the congress and details about the reception will be communicated to you separately.

Since there will be two vacancies for the term 2016 - 2018, one item on the agenda will be the election of two board members.

If you are interested in becoming a board member, please let me know not later by 20 October 2015. The Board from its side will then timely propose two candidates for election to the general assembly. This proposal will also take into account that - over time - there should be a geographical spread among the board members and that different sizes of law firms should be represented.

Please be reminded that membership of the EPLAW Board entails a considerable investment of time for activities such as preparing and attending board meetings and other EPLAW events, as well as hands-on work on projects such as Young EPLAW, training of patent judges, and drafting work related to the arrival of the UPC. Those who wish to reflect should therefore be in a position to make available the resources required to manage EPLAW in the best interest of its members.

In case of questions do not hesitate to contact me or any other board members.

Regards,

Richard Ebbink
